## Fendalton School Barbeques

The current two barbeques that the school has are now on their last legs and we need to look at replacing them. Cooking over 2000 sausages a year has finally worn them down! We are hoping that someone in our school community may be in a position to donate replacement barbeques to the school. These can be second hand (if you are looking to upgrade your own) although we would need to see if they are any better than what we currently have. If you are able to help, please contact either Felicity Hansby or Melissa Cameron at [pta@fendalton.school.nz](mailto:pta@fendalton.school.nz) or phone Felicity 351 2928 or Melissa 348 0460.

## Golf Tournament Sub-Committee

The next meeting of the golf committee will be held on Thursday 29th July at 7pm at Monteiths Bar on Merrin Street. If you would like to get involved, please come along.

## Thank You!

Many thanks to Orla Forde and her team of volunteers for another great end of term sausage sizzle. It was one of our biggest orders to date.
